Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2020/2020-2021 proposed Annual Budget and make comparison to the 2019/2019-2020 adopted budget for each *Revenues and Appropriations*. Explain any variances over +/-10% (As shown on budget pages F-2 and F-4 explain the reason for changes for each revenue and appropriation changing more than 10%) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. (Example Rate Increase authorized by resolution or by HUD).
See attached variance description.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program. **Example would be effect on a recession in the economy on the housing Authority. The local economy suffers from the Corona Virus pandemic that will have an impact of increasing HAP payment to landlords due to tenant loss of employment.**

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

It is anticipated that unrestricted net position will be utilized in the proposed budget. The Authority has an increase of vacancies requiring the hiring of additional staff to reduce turnover over time of vacancies that will result in increased revenue.

4. Identify any sources of funds transferred to the County/Municipality as a Pilot Payments, or a shared service and explain the reason for the transfer -- **Housing Authorities cannot transfer Unrestricted Net Position** (i.e.: to balance the County/Municipality budget, etc.).

None except for the annual PILOT.

5. The proposed budget must not reflect an anticipated deficit from 2020/2020-2021 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question. **The Authority has an accumulated deficit at the end of the prior year that is expected to be reduced by the projected surplus in operations in the current year. The projected year does have a budgeted deficit to reduce vacancies that will result in increased revenues in the future.**

(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75).
